1. I agree that, as a condition of Citizens installing gas service to my property for the following purposes, I will begin using gas supplied by Citizens within six months of the date the gas service to my property is installed.
  - 100 feet of gas service piping at no charge for Heating (furnace).\*
  - 50 feet of gas service piping at no charge for Water Heating.

\*To qualify for free footage, the Heating (furnace) must be the primary natural gas source of energy. A natural gas Heat Back-up source does not qualify for free footage.

In exchange for my promises, Citizens promises to furnish, install, own and maintain all piping and other appurtenances to supply service from the gas main up to the outlet of the meter at my property. Citizens will remain the owner of the gas service from the main to the outlet of Citizens' meter.

2. I further agree to the following:
  - a. to abide by Citizens' terms and conditions of gas service, including the rates, rules and regulations as the same may be approved by the Indiana Utility Regulatory Commission and the rules and regulations of the Indiana Utility Regulatory Commission which apply generally to the provision and receipt of utility service;
  - b. to grant an easement over my property in favor of Citizens, for the purpose of laying, maintaining, metering, repairing, and replacing the natural gas line, servicing my property or the adjoining property;
  - c. to make payment to Citizens for the actual cost of the gas service piping installation if I fail to use gas supplied by Citizens, for the purposes designated in paragraph one above, within six months of the date the gas service to my property is installed; and
  - d. to pay all reasonable attorneys' fee or other costs of collection and all reasonable costs incurred by or on behalf of Citizens Gas to enforce the terms and conditions of this contract in the event of my breach of this agreement.
3. If I fail to use service as promised AND I pay the compensation noted above in paragraph 3(c), I understand that I may receive a full refund if I subsequently use gas supplied by Citizens at this address as indicated in paragraph one, within 12 months of the installation of my gas service line. After the passage of 12 months, I understand that I will not be entitled to a refund of any portion of my payment.
4. I further acknowledge and agree that Citizens is under no obligation, nor can it be held liable for any damages for not serving my property, until such time as the gas distribution mains have been installed and gas is available for general use for the area in which my property is located.

In witness thereof, the parties hereto have caused this agreement to be executed in duplicate by their duly authorized representative.
