**APPENDIX B**

**CONNECTION FEE**

**1. CONNECTION FEE**

A baseline Connection Fee of two thousand five hundred dollars (\$2,530.00) per equivalent dwelling unit (“EDU”), will be assessed for all new connections to the Sewage Disposal System. A new connection includes new sewer service or modification of an existing sewer service agreement; however, replacement or repair of an existing individual building sewer that does not increase EDU’s will not constitute a new connection. EDU’s shall be determined in accordance with industry standards and reflect the greater of the actual daily flow requirements (per 327 IAC 3), the area ratio of the water meter size serving a particular user, or such other means of determination deemed appropriate by the Utility. One (1) EDU shall be estimated as equal to three hundred ten (310) gallons per day.

**2. EXTENSION, AMENDMENT, OR TRANSFER OF AUTHORITY TO CONNECT TO THE SEWAGE DISPOSAL SYSTEM**

The fee for extending the authority granted by the Utility to connect to the Sewage Disposal System beyond 180 days shall be \$30. The fee for amending an application for connection shall be \$30. The fee for transferring the authority granted by the Utility to connect to the Sewage Disposal System, which transfer must be done with the consent of the Utility shall be \$30.
