

**APPENDIX B**

**CONNECTION FEE**

**1. CONNECTION FEE**

A baseline Connection Fee of two thousand five hundred dollars (\$2,530.00) per equivalent dwelling unit (“EDU”), will be assessed for all new connections to the Sewage Disposal System. A new connection includes new sewer service or modification of an existing sewer service agreement; however, replacement or repair of an existing individual Building Sewer that does not increase EDU’s, provided the Building Sewer has been an active Customer connection within the past 36 months will not constitute a new connection. EDU’s shall be determined in accordance with industry standards and reflect the greater of the actual daily flow requirements (per 327 IAC 3), the area ratio of the water meter size serving a particular user, or such other means of determination deemed appropriate by the Utility. One (1) EDU shall be estimated as equal to three hundred ten (310) gallons per day.

**2. EXTENSION, AMENDMENT, OR TRANSFER OF AUTHORITY TO CONNECT TO THE SEWAGE DISPOSAL SYSTEM**

The fee for extending the authority granted by the Utility to connect to the Sewage Disposal System beyond 180 days shall be \$30. The fee for amending an application for connection shall be \$30. The fee for transferring the authority granted by the Utility to connect to the Sewage Disposal System, which transfer must be done with the consent of the Utility shall be \$30.

**3. BUILDING SEWER APPLICATION AND PERMIT FEE**

The fee for the application and issuance of a Building Sewer permit from the Utility to construct, repair, modify, connect or abandon any Building Sewer within the Utility’s service area shall be \$236.

**4. SANITARY SEWER FACILITY FEES**

The Utility shall bill the following fees when a Sanitary Sewer Facility permit is required to construct, repair, modify, connect or abandon any Sanitary Sewer Facility within the Utility’s service area. The fees are as follows:

**4.1 Sanitary Sewer Facility Application, Initial Plan and Construction Review Fee:** A fee of \$657 will be assessed for the initial application, plan submission and review.

**4.2 Sanitary Sewer Facility Additional Plan Review Fee:** A fee of \$247 will be assessed for each additional revised plan submission and subsequent review.

**4.3 Sanitary Sewer Facility Construction Management Fee:** A fee of \$420 will be assessed at the time the application is made for a Sanitary Sewer Facility permit for the management of construction scheduling, close out, and post construction record retention.

**4.4 Sanitary Sewer Facility Construction Inspection Services Fee:** A fee of \$65 per hour will be assessed for construction inspection services provided throughout all work and construction performed on or associated with the Sanitary Sewer Facility.
