

GAS RATE NO. A1

MISCELLANEOUS CHARGES

AUTOMATED METER READING SERVICE:

The Company will provide Automated Meter Reading Service to 3rd Party Suppliers or to applicable Customers that have requested or are required to have Automated Meter Reading Service. The Automated Meter Reading Service includes installation of an Automated Meter Reading device and access to meter reads. The following charge for Automated Meter Reading Service will be billed to applicable Customers or 3rd Party Suppliers:

\$64 Per Month for Each Meter Transmitting Daily Meter Readings

NON-PERFORMANCE CHARGE:

The Company shall charge Customers, as appropriate, for any volumes associated with Customers receiving Gas Delivery & Supply Service under Gas Rate Nos. D30, D40 and D50 that are considered unauthorized usage during a curtailment period. Charges are as follows:

The Applicable Monthly Under-Delivery Charge from Appendix B, plus \$6.00 per Therm.

WAIVER OF CHARGE:

In its reasonable discretion, on a case-by-case basis, the Company may waive all or part of any Non-Performance Charge assessable to a Customer pursuant to this Gas Rate No. A1, provided, however, that the waiver of such Non-Performance Charge shall be exercised on a non-discriminating basis.
